

TPR School Application form

Temora Carriage Club INC

18th of February 2024 at Rosymoon Stud

85 Keith Road Sebastopol 15 km south of Temora.

This school will be run for people who are interested in learning how to do TPR as well as people who wish to reaccredit and refresh their knowledge. Also it is a useful skill to use on your own horse.

New applicants will be required to answer questions based on information provided in the TPR Manual provided as a resource on the Federal ACDS Webpage.

Re-accrediting TPR stewards are not required to redo this test.

All applicants are required to demonstrate their practical application of TPR on horses and ponies provided at the venue to the presenter of the school, Sharon Beattie or a vet in attendance.

Morning tea and lunch will provided as part of the cost of \$30.

Recommended that you bring a stethoscope for your own use, these can be purchased online and posted to you. Price will vary, but a good one can be picked up for between \$40 and \$60. Don't bother with cheaper ones as they are hard to hear with.
